HOOFBEATS

Facility plans are moving along

It won't be long now before we can see some progress on the new facility

Plans are falling into place now and the Board would like to thank everyone for their financial support and offers of assistance in erecting the fence and shelters.

Our thanks to Ms. Sylvia Fischer for her most generous donation of \$2,000 and the Arizona Horse Lovers Foundation for their grant and to the Thunder Mountain Vette Set for their \$150 donation.

The plans require us to provide trenching for water pipes for about 400', if you know of someone who can assist us with backhoe work for this purpose please contact Ann Jost at 378-0896.

January benefit a big success!!

Attendance was great with 94 people enjoying the January 14th dance and auction night. Apache Pointe Ranch was the site for the evening and kicked off the night with a great tasting western buffet.

Partners played great country and western music that everyone enjoyed dancing to.

Our thanks to Bob and Julie Vaughn from Advantage Auction Company from Benson who donated their time and talents to auction off the many items that were sold during the event.

In all a total of \$1,575 was raised during the evening. Thanks to all who donated items for the raffle and auction:

Trail Boss Outfitters
Christine Livengood
Misty's Gift Gallery
Mr. & Mrs. George Frank
Arlene Essig
Ken Lynch
Mr. & Mrs. Corey Cartwright

Time for Spring Shots

It is that time of year when you need to be scheduling your appointment with your vet.

Many horse owners have their spring shots done now through the month of May.

All our veterinarians are very busy these days so please call and get your vet check scheduled.

This is a good time to have a well check done and to have your horse's teeth checked to make sure they do not need floating.

If you are new horse owners or are new to the area we have listed below the names and the phone numbers for veterinarians who do calls in our area.

Dr. Charles Behney 432-3296
Dr. Lucinda Earven 456-9145
Dr. Gary Thrasher 366-4588

Veterinary Service 586-3777

Ken Lynch Training Clinic

On January 7, 2006 7 riders and 10 auditors took part in a one day clinic.

Topics covered were how to know when your horse is tracking correctly. Possible solutions for making your horse stand still for mounting.

Some individuals were able to work one on one with Mr. Lynch for particular problems they were having with their horse.

Thank you Mr. Lynch for sharing your knowledge with us.

Watch our future newsletters for upcoming training clinics that will be hosted by other trainers in the area.
