Having Problems with Your Horse?

Then you may want to attend this horsemanship clinic dealing with problem solving. There are a total of 5 trainers at each clinic to work with your horse should you decide to put them in the clinic. Cost is \$100 or you can audit for \$25 and watch all the different horses and how their problems are solved with the trainers. The proceeds of these clinics are benefiting Care For The Horses to aid victims of the fire.

We are always looking for new board members who want to help with the growth and direction of this organization. For more information please contact Ann Jost at 520-559-2224 or careforthehorses@msn.com. You do not have to be a horse owner to be a board member of the program or to volunteer for our fundraising events.

Desert – 7–8 yr. old big, athletic Quarter horse gelding. He is about 15.3HH and very well put together. Desert is a stray that came to us from Nogales, AZ. He appears to have been gelded recently as he is aggressive towards other horses at times.

He is currently being trained and is doing very well. He does seem to know how to ride and is very responsive to the rider. He will require someone who can use him on a regular basis for work.

Desert would make a good only horse or would do well where he can be kept in a pen away from other horses.

Please call Ann Jost at 520-559-2224 for more information or to see Desert. **Adoption fee: \$350**

Indio – 22 yr. old Quarter horse gelding. Indio was in a severe state of starvation when he came into the program in May 2011. His vet check determined that his teeth are very worn and he will require a “mush” type diet for the rest of his life. He loves attention and will need a home where he can be used as a companion horse or as a pet. Indio does have some arthritis in his hind leg and does need some kind of supplement to help make him less stiff. Please call Ann Jost at 520-559-2224 for more information or to see Indio.

Check our website to see his pictures from when he was rescued. **Adoption fee: \$150**

Sponsors are always needed to help defer the cost of the feed required to bring CFH horses up to their healthy weight. If you would like to make a tax deductible donation please send your check to: Care For The Horses, PO Box 884, Sierra Vista, AZ 85635. Your help would be greatly appreciated.

CFH Has a New Website Design

Recently Byron Myers from Aeon Digital Arts & Design donated his time to give us a new website; this was due to the fact that the program we had used previously was no longer available. The site looks basically the same, but does have some added features. New features include a story on each of our recent rescues, briefs on horses currently available for adoption and a photo flash gallery of our facility and past and present horses. The site is now one that can be edited without being a computer whiz, which means now even I can do it.
